## ORTHOPEDIC

### MATTRESSES & BOX SPRINGS

★ ★ ★ ★ ★

Our Orthopedic mattresses and box springs offer superior comfort, support and durability. There are eight models available, ranging from the firmest tight top to the thickest and softest pillow top.

Each Orthopedic mattress features our best offset innerspring system, which is made exclusively for The Original Mattress Factory. Our Orthopedic mattresses also have a two-sided design, stitched cotton padding and handles for ease of turning. Our top of the line

Orthopedic box springs feature four-fold torsion modules with additional wire, an additional wood slat and offer superior support and shock absorption.
