## SERENITY

FOAM MATTRESSES & BOX SPRINGS

★★★★★

Our Serenity foam mattresses and box springs offer a truly unique feel combined with superior comfort, support, and durability. There are three models available, all of which feature a high density polyurethane foam core and either high density memory foam or latex foam. Our Serenity box spring features four-fold torsion modules with additional wire, an additional wood slat, and offer superior support and shock absorption.

Sets starting at: \$1109
